Language : English

File size : 13153 KB

Print length : 32 pages

Brett's storytelling weaves together the familiar narrative of Noah's Ark with a heartwarming message of hope and resilience. As the animals board the ark, two by two, children will learn about the importance of following instructions and trusting in God's plan. The story culminates in a triumphant arrival at Mount Ararat, where the animals emerge from the ark into a new world.

"On Noah's Ark" is not only an educational and entertaining read, but also a beautiful work of art that will be treasured for generations to come. Its timeless message and stunning illustrations make it a perfect gift for any occasion.

**About the Author**

Jan Brett is an award-winning children's book author and illustrator who has written and illustrated over 40 books. Her books have been translated into more than 20 languages and have sold over 30 million copies worldwide. Brett is best known for her vibrant and detailed illustrations, which often feature animals and nature.

Brett was born in Boston, Massachusetts, and grew up in a small town in New Hampshire. She studied art at the Rhode Island School of Design and went on to work as an illustrator for magazines and newspapers. In 1982, she published her first children's book, "Fritz and the Beautiful Horses." Since then, she has written and illustrated many other popular children's books, including "The Mitten," "The Hat," and "The Three Little Pigs."

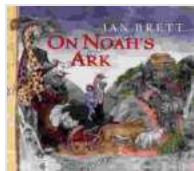

Brett's books have received numerous awards, including the Caldecott Medal and the Boston Globe-Horn Book Award. She has also been recognized by the National Endowment for the Arts and the American Library Association. Brett is a passionate advocate for literacy and has visited schools and libraries across the country to share her love of reading and art with children.
