Hobler's photographs are characterized by their sense of movement and energy. He uses a variety of techniques to create this effect, including long exposure times, panning, and tilting the camera. The result is a series of images that are both visually arresting and emotionally evocative.

One of the most striking things about Hobler's photographs is his ability to capture the essence of movement. His dancers seem to float across the page, their bodies suspended in mid-air. His everyday people are caught in moments of transition, their bodies in motion as they go about their daily lives.

Hobler's photographs are not only beautiful, but they are also thought-provoking. They invite us to consider the nature of movement and its relationship to the human experience. What does it mean to move? How does movement shape our lives? These are just a few of the questions that Hobler's photographs raise.

Walking, Moving, Experience is a must-have for anyone interested in photography, dance, or the human form. Hobler's photographs are a testament to the power of movement to inspire and uplift. They are a reminder that even the most ordinary moments can be transformed into something extraordinary through the lens of a camera.

About the Artist

Herbert Hobler was born in Vienna, Austria in 1934. He began his career as a photojournalist, but he soon turned his attention to dance photography. Hobler's photographs have been exhibited in galleries and museums around the world. He has also published several books of his work, including *Walking, Moving, Experience*.

Hobler's work is characterized by its sense of movement and energy. He uses a variety of techniques to create this effect, including long exposure times, panning, and tilting the camera. The result is a series of images that are both visually arresting and emotionally evocative.

Hobler's photographs have been praised for their beauty and their ability to capture the essence of movement. They have been described as "a celebration of the human spirit" and "a testament to the power of photography to inspire and uplift."
