

What's So Great About Christianity?

A Review and Recommendation

In his book *What's So Great About Christianity?*, Dinesh D'Souza sets out to answer the question of why Christianity is the one true religion. He does this by examining the historical evidence for the resurrection of Jesus

Christ, the moral teachings of Jesus, and the unique claims of Christianity about God, salvation, and the afterlife.

What's So Great About Christianity by Dinesh D'Souza

D'Souza argues that the resurrection of Jesus Christ is the central event in human history. He points to the fact that there is no other explanation for the empty tomb and the eyewitness accounts of Jesus' appearances to his disciples. He also argues that the moral teachings of Jesus are unique and revolutionary, and that they have had a profound impact on Western civilization.

Finally, D'Souza argues that the unique claims of Christianity about God, salvation, and the afterlife are true. He points to the fact that there is no other religion that offers a credible explanation for the existence of the universe, the meaning of life, and the destiny of humanity.

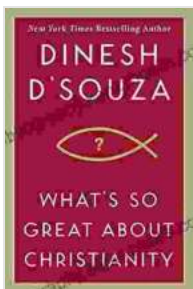

D'Souza's book is a well-written and thought-provoking defense of the Christian faith. He provides a wealth of evidence to support his arguments,

and he does so in a clear and engaging style. I highly recommend this book to anyone who is interested in learning more about Christianity.

Here are some of the key points that D'Souza makes in his book:

- The resurrection of Jesus Christ is the central event in human history.
- The moral teachings of Jesus are unique and revolutionary.
- The unique claims of Christianity about God, salvation, and the afterlife are true.
- Christianity is the one true religion.

If you are looking for a book that will challenge your thinking about Christianity, then I encourage you to read *What's So Great About Christianity?* by Dinesh D'Souza.
