In her book, *Wife Courageous*, Sheridan shares her powerful and inspiring story. She writes about the pain of betrayal, the challenges of divorce, and the journey of forgiveness. Sheridan's story is a reminder that even in the darkest of times, there is always hope.

The Pain of Betrayal

The pain of betrayal is unlike any other. It can feel like a knife in the heart, a betrayal of trust, and a shattering of dreams. Sheridan felt all of these things when she discovered her husband's affair.

"I felt like my whole world had been turned upside down," Sheridan says. "I couldn't believe that the man I had loved and trusted for so many years had betrayed me."

Sheridan's pain was compounded by the fact that she had two young children. She didn't know how she was going to make it on her own or how she was going to tell her children that their father was no longer going to be living at home.

The Challenges of Divorce

After discovering her husband's affair, Sheridan made the difficult decision to divorce him. Divorce is never easy, but it can be especially challenging when there are children involved.

Sheridan had to find a new home for herself and her children. She had to learn how to manage her finances on her own. And she had to deal with the emotional turmoil of co-parenting with her ex-husband.

"There were days when I felt like I was drowning," Sheridan says. "But I knew that I had to keep going for my children."

The Journey of Forgiveness

Forgiveness is not easy, but it is possible. Sheridan began her journey of forgiveness by writing her ex-husband a letter. In the letter, she expressed her pain and anger, but she also forgave him.

"I didn't forgive him for what he did," Sheridan says. "I forgave him for my own healing. I needed to let go of the anger and bitterness that was eating me up inside."

Forgiveness is a process, and it takes time. But Sheridan believes that it is worth it. She is now able to live a happy and fulfilling life, free from the pain of the past.

Hope for the Future

Sheridan's story is a reminder that even in the darkest of times, there is always hope. No matter what you are going through, you can overcome it. With courage, determination, and forgiveness, you can rebuild your life and find healing and hope.

If you are struggling with betrayal, divorce, or any other life challenge, Sheridan's story will inspire you to never give up. She is living proof that it is possible to overcome adversity and live a happy and fulfilling life.
