Wise Sons is a cookbook and memoir by Evan Bloom and Josh Russ Tupper, the founders of the Wise Sons Jewish deli in San Francisco. The book is a celebration of Jewish food and culture, and features recipes for classic Jewish dishes as well as new takes on traditional favorites.

Bloom and Tupper are both Jewish, and they grew up eating the same kind of food. But when they opened Wise Sons in 2012, they wanted to create a menu that would appeal to both Jews and non-Jews alike. They started by researching traditional Jewish recipes, but they also experimented with new ingredients and flavors. The result is a menu that is both authentic and innovative.

The Wise Sons cookbook includes recipes for all of the deli's most popular dishes, including their pastrami, corned beef, and matzo ball soup. But the book also includes recipes for more unusual dishes, such as their latke tacos and their smoked salmon pizza. Bloom and Tupper also share their personal stories in the book, offering insights into their Jewish heritage and their passion for food.

Wise Sons is a beautiful book, with stunning photography and a warm, inviting tone. It's a must-have for any fan of Jewish food or San Francisco cuisine.
